## WELCOME TO ERNST BIERGARTEN & WIRTSHAUS

Here you can experience the traditional, genuine and un-filtered Bavarian Wirtshaus as you would find it in Munich or in one of the picturesque villages at the foot of the Alps.

A Wirtshaus is the place where Bavarians meet - every day. It is a place where people immediately belong together, whether they come as friends or strangers. Even if people speak different languages, they understand each other over Bavarian delicacies and the original Munich Paulaner beer.

If you come often or in the same company, book the Stammtisch. Stammtisch refers to both the table and the group that meets at it. In Bavarian inns, only those who come regularly (fortnightly or more often) get a Stammtisch.

If you'd like to come more often but don't know if you'll always be with the same company, pick up a special beer mug at the entrance and also a key for our beer mug safe. But be quick, the number of lockers is more than limited.

\*Welcome!

# HOW TO EAT Weißwurst

## OPTION 1

### **Cut into Pieces**

Cut in the "Weißwurst" length-wise, open the sausage halves – using a knife and fork - and lift the sausage out of the skin by rotating the utensils. Enjoy bite by bite with sweet mustard, a "Brezn" and fresh cold beer.

## OPTION 2

### **"Zuzeln"**

Sucking, the traditional Bavarian way of eating a "Weißwurst".

#### STEP 1:

### **"From hand to mouth"**

Pick up the sausage with your fingers.  
Dip the sausage in (sweet) mustard and take a bite.

#### STEP 2:

### **"Suckle"**

Bite a hole in the sausage skin.  
Suckle the sausage stuffing out of the skin (zuzeln).  
The filling is best removed from the skin using your teeth.  
The traditional way to enjoy it is with a "Brezn" and a refreshing beer.
